

Pinnacle Peak Eye Care

7420 E Pinnacle Peak Rd.
Suite 122
Scottsdale, AZ 85255
(480) 473-0079

Dear Patient,

From all of us at Pinnacle Peak Eye Care, thank you for your patience and understanding during this difficult time. Amid ongoing concerns about COVID-19, we want to reassure you that your health, safety, and well-being is our top priority.

The AOA has confirmed with Centers for Disease Control and Prevention (CDC) officials that the agency's March 17 nationwide **recommendation to postpone routine eye care is no longer in effect**, and re-opening facilities to provide non-emergent and non-Covid-19 health care is in force.

We will be re-opening to patient care May 11th. Patients with a history of Glaucoma, Diabetes and Macular Degeneration are considered essential and will be prioritized over routine exams.

In concordance with the CDC, we have procedures in place to ensure a safe visit for our patients and employees:

1. When you arrive for your appointment please **wait in your car**. Call or text us at **(480) 473-0079** to let us know you have arrived. To limit patients in waiting area, we will come to get you.
2. You will receive a short questionnaire by text. Please fill out prior to appointment. Once inside the office we will also take your temperature to make sure it safe for you to be seen.
3. **Please wear a mask to your appointment** to protect yourself and others. Optometrists and staff will be wearing surgical facemasks at all times.
4. In order to facilitate social distancing, we will be minimizing time in waiting areas, spacing chairs at least 6 feet apart, and maintaining low patient volumes.
5. All equipment and materials, including frames will be sanitized between each patient.

If you have any questions or concerns, please feel free to call or text us at (480) 473-0079. You can also email us at doctorandstaff@peakeyecare.net or visit our website at www.peakeyecare.net. We look forward to seeing you all again soon.

Sincerely,

Pinnacle Peak Eye Care
