

## Before you come to the practice

Please call us before you come in for an appointment if you have any of these symptoms or risk factors:

- Cough AND a fever of 100.4 or higher
  - OR have shortness of breath
  - OR have been someplace where the coronavirus is widespread in the past two weeks
  - OR have had contact with someone diagnosed with COVID-19.
- 

## When you come for an appointment

- Please arrive 15 minutes before your appointment time so we can ask you a few questions about symptoms and travel and exposure risks.
  - Please don't bring others with you unless you really need to.
  - Please wear a face mask at all times inside the office in order to protect yourselves and others.
-
